PROCEEDING MEMO

MATTER: # 66 - Amended Chapter 13 Plan dated 5/13/2016
[Amended Chapter 13 Plan dated 7/27/2016 filed at Dkt. No. 76]

APPEARANCES:

Debtor: David A. Colecchia
Trustee: Jana Pail

NOTES:

Pail - 43 months remain in the case. Wages are remitting. Payments are current. Ally Financial requested a contested confirmation hearing because the plan considered at the last conciliation conference proposed a section 506 action. Debtor filed an amended plan on July 27, 2016.

Colecchia - Section 506 action was filed. Bank of America claim was settled and the bank withdrew its claim.

Pail - With the late claim of IRS governing and with a fee application being filed, the July 27 plan is feasible.

Colecchia - Will be filing a fee application.

OUTCOME:

1. Order to be issued confirming the July 27, 2016 plan with Claim No. 4 of the IRS to govern. Any additional attorney's fees shall be requested through a fee application. (HT to prepare).
